Hold Harmless Clause

I, _____, understand that Spay Neuter Assistance Program Inc. (SNAP) makes no guarantee relating to the animal's health, behavior or actions. I understand that I receive foster cats/kittens at my own risk.

I agree to hold SNAP free and harmless from all liability arising out of all claims, demands, losses, damages, actions or judgments of any kind and description which may occur to or be suffered by me, members of my household, or any third parties, and to my personal pets by reason of activities arising out of my acceptance of an SNAP foster cat or cats.

Conditions of Release of Animal

If I am unable to continue to foster, I will notify SNAP as soon as possible to allow reasonable time for SNAP to make alternative arrangements for the foster cat(s) in my care.

The SNAP foster cat(s) in my care will not be surrendered to a shelter, abandoned, or given away for any reason under any circumstances. In the event of an issue or problem with my foster cat(s), I will promptly notify SNAP immediately.

If SNAP deems that the foster cat or kitten in my custody is not properly cared for in a clean, safe, warm, and pest-free environment, SNAP will require that I relinquish the animal(s) immediately, along with all medical records and medications in my possession.

Policies and Policy Violation

I will keep SNAP foster cat(s) in my possession at all times and not transfer them to other homes or people unless directed or agreed to by SNAP.

I agree to keep my personal cats up to date on rabies and distemper (FVRCP) vaccines.

I will not take in any fosters without the approval of a SNAP appointee.

Authorization for the euthanasia of any foster cat in my care can only be given by the SNAP. I understand that I am not permitted to provide this consent.

SNAP reserves the right to end the foster arrangement if any policy of SNAP has been violated, in which case any foster cat(s) in my care must be surrendered back to SNAP with all medications and medical records.

All foster cat(s) are within the legal ownership and protection of SNAP until such time as an Adoption Contract is completed and transfer of the cat(s) from foster care (SNAP) to a permanent home (New Owner) is completed.

I understand that although SNAP will do everything possible to supply medications, food, and litter... I will be required at times to provide food and litter personally financially for the foster cat(s) in my care.

By way of my signature below, or electronic submission of this form, I affirm that I have reviewed, understand, and hereby agree to adhere to the terms and policies listed above and adhere to the SNAP standards, processes and regulations set forth currently in place or as changed in the future.
